

EXCESSIVE USE POLICY

The District may give credit against subsequent water usage in cases of an unintentional, unusual and burdensomely excessive monthly water use when requested either in writing or in person to the Board within three (3) months, to the extent of One-Half ($\frac{1}{2}$) of the amount over the average annual use for the preceding year or fraction thereof if there is not a full year's usage, which credit will be available only one time for each individual customer.
